

STRATEGIC POLICY DEVELOPMENT WORKSHOP

PROGRAMME OVERVIEW

This workshop looks at the environment in which policy is created and shaped as well as the key characteristics of good policies such as outcome-focused, innovative and joined-up policy making.

COURSE CODE: LDS 9004

BENEFITS OF ATTENDING

Participants will:

- improve their understanding of the origins, the environment, and the different stages of policy development
- identify the principles of good policy making
- learn basic skills required to design innovative, joined-up and outcome-focused policy
- be better placed to assess problems and identify policy options

PROGRAMME OUTLINE

- The policy and strategy environment
- Frameworks for policy development
- Practical work using case studies
- Presenting the case for introducing new policies

WHO SHOULD ENROL?

This workshop is for anyone contributing to the design and development of policies and seeking to improve their skills and abilities in this area. The course has been created primarily for public sector staff as reference will be made to the role of Ministers and Senior Officers and the scrutiny of Parliament - Senate and the House of Representatives. However, senior private sector executives will also find it useful for dealing with the public sector or increasing their knowledge of good practice in policy making.

COURSE STRUCTURE AND COST

Delegates will attend this 1 week course between 09:30 and 17:00 daily.

Cost: £5,500/delegate
