

# PRINCE 2 - PROJECT MANAGEMENT

## PROGRAMME OVERVIEW

This five day Project Management Workshop is an opportunity for delegates to look at the way they handle and manage their projects. This programme is aimed at managers who wish to become qualified practitioners in PRINCE 2 Project Management. PRINCE 2 has a strong practical element and as the process is not prescriptive, it can be tailored to meet your requirements. Delivered over five days with a multiple choice foundation exam and written practitioner exam included.

COURSE CODE: PRM 9002

## WHO SHOULD ENROL?

Delegates are expected from Government departments and Regulatory agencies, Central Banks, Commercial Banks, Mortgage Banks, Multinational donor agencies and other government departments and agencies.

## BENEFITS OF ATTENDING

At the end of the programme, participants will be able to:

### **Understand the project, the process & the management**

- Defining exciting project outcomes
- Generating ideas
- Motivating the project management team
- Communication as a project management tool
- Practical tools and techniques
- Which stages of the process to use them
- Giving effective feedback
- What to do when things are going well
- What to do when they're not
- Moving projects on to a successful outcome
- Value for money - cost includes foundation exam and practitioner exam entry.

## PROGRAMME OUTLINE

- Essential background and project management overview
- Planning, controlling and initiating projects using PRINCE 2
- The value for organisation
- The PRINCE 2 structure outlining its processes, components and techniques
- Tailoring and implementation
- Day-to-day project work including change and quality issues
- Controlling the stages and boundaries
- Closing a project
- Foundation and practitioner exams.
